Dear Parents,

As you have been reading in the bulletin and hearing at the School Board Meeting, all volunteers and paid personnel of the Church must participate in the Virtus Training Program. This program assists the Church in being a safe haven for children and a messenger for preventing child abuse within the Church and society in general. If you have not already attended a session, you must do so in order to volunteer in any capacity in the school or parish.

Three sessions are being offered here at St. Christopher's at the following times:

Tuesday, May 27th at 7:00 pm

Thursday, May 29th at 9:30am

Monday, June 4th at 7:00pm

Before attending any session you must register with the Virtus Online Program @ www.virtusonline.org. On the left-hand side of this page, click the yellow link labeled "Registration". You will then be guided through the registration process. During the process also you will be asked to choose a session to attend. You may choose any of the sessions offered here at St. Christopher's or if those dates are not good for you, you may view a list of other locations where the training is being offered.

If you do not have access to the internet, please contact the Office at 223-4404 so that we can complete your registration. Each session is limited to 100 participants. Please be sure to sign up as soon as possible for the session that is most convenient for you.
